# résidences immobilier

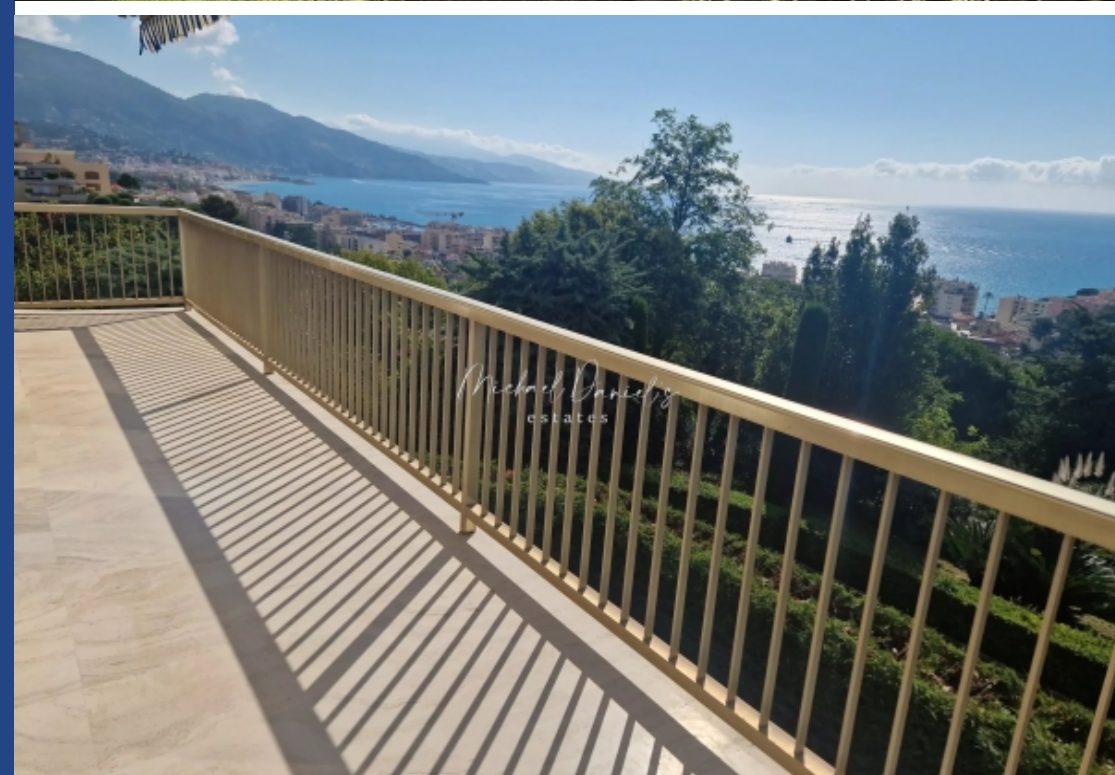

In one of the most prestigious residences in the very heart of Cap Martin "Le Plateau" only 10min drive from Monaco, a 2 bedroom appartement with a separate kitchen that could be a 3rd bedroom. Panoramic sea view and this flat is a corner flat so very bright and balconies both in the back and in the front. Parking and storage room comes with this great property and the bulding has a very big swimmong pool, tennis court and beach volley in a beautiful large garden where you can stroll around and enjoy the calm...This residency is gated with many videos surveillance cameras for extra security and of course a concierge This gem needs full renovation but it is def a must see property!
